● ABOUT

BUILT ON THE GROUND, TESTED INTERNATIONALLY.

I am **Vinoth Kumar V**, Founder and Managing Director of **Smart Fix Solutions**, a Chennai-based company specialising in enterprise security and network infrastructure solutions.

With over **11 years of professional experience**, including international exposure in **Singapore and Malaysia**, I've developed expertise in designing, implementing and maintaining reliable security and networking systems for businesses of every size.

Every business deserves a secure, scalable, future-ready infrastructure that supports growth and operational excellence — that's the standard we build to.

● OUR EXPERTISE

NINE FEEDS. ONE CONTROL ROOM.

Complete design, supply, installation, testing, commissioning and maintenance — end to end, under one roof.

CAM-01 LIVE  CCTV Surveillance Round-the-clock visual coverage with remote viewing and recording.	CAM-02 LIVE  Enterprise Networking LAN, WAN and Wi-Fi built for reliability and scale.	CAM-03 LIVE  Fire Alarm Systems Early detection and warning to protect people and assets.
CAM-04 LIVE  Public Address & Voice Evacuation Clear announcements and evacuation guidance, site-wide.	CAM-05 LIVE  Access Control & Time Attendance Control who goes where, and track it automatically.	CAM-06 LIVE  Video Management Systems One dashboard for every camera, feed and recording.
CAM-07 LIVE  Server & Storage Solutions Infrastructure sized and configured for your workload.	CAM-08 LIVE  VPN & Remote Monitoring Secure access to your systems from anywhere.	CAM-09 LIVE  Annual Maintenance Contracts Preventive maintenance that keeps systems running.
